NATURAL LATEX

Natural Latex is naturally derived from the rubber tree making it anti-microbial to prevent bacteria, mold and mildew growth. It provides a luxurious balance of comfort, support and pressure relief

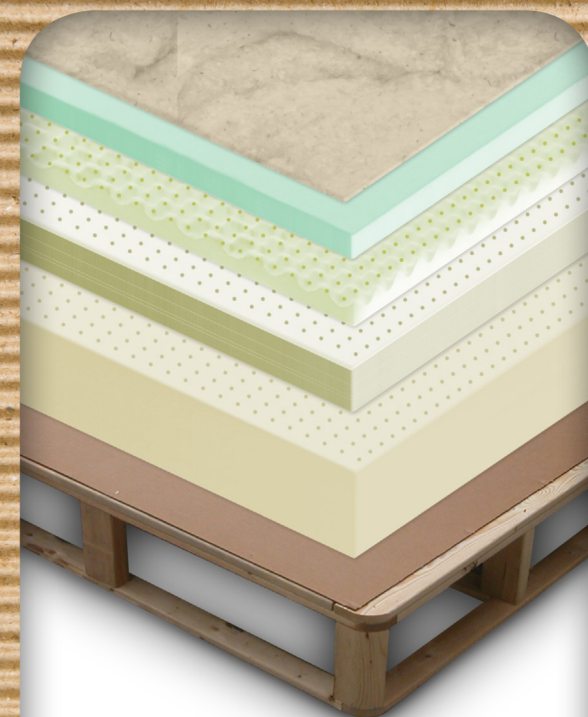

JOMA WOOL

Made of luxurious, flame resistant, water repellent, non-allergenic fibers, New Zealand Joma Wool maximizes comfort and ensures breathability

**PERFECT RESPONSE®
NATURAL LATEX CORE**

With its spring-like resiliency, this naturally derived latex core returns to its original shape faster than memory foam to help resist body impressions.
